

# Fame Jr. CREW

## Application and Permission Slip

---

### Teams include:

#### 1. Props & Sets: Act 1

This team will be responsible for designing, building, collecting, and organizing the sets and props needed in Fame Jr. Props include items that actors carry on and off stage during the performance. Sets include the larger structures on stage. Team members will work backstage during the show to make sure that props and sets are placed correctly.

#### 2. Props & Sets: Act 2

This team will be responsible for designing, building, collecting, and organizing the sets and props needed in Fame Jr. Props include items that actors carry on and off stage during the performance. Sets include the larger structures on stage. Team members will work backstage during the show to make sure that props and sets are placed correctly.

#### 3. Hair & Make Up

This team will be responsible for planning, organizing, and creating looks for our characters. They will run the make up and hair salon (tech week and performance days) by actually applying make up and creating hairstyles for principal actors.

#### 4. Costumes

This team will be responsible for planning, organizing, collecting, and designing costume pieces and looks for our characters. They will monitor costume bins and help with quick changes behind stage during tech week and on performance days.

#### 5. Ushers & Ticket Sales

This team will be responsible for selling musical tickets during lunch hours and on show nights and will also be responsible for taking tickets, showing patrons to their seats, and providing audience assistance. These team members will be the first smiling faces to greet our audience for our school day and evening performances.

#### 6. Reception & Concession Team

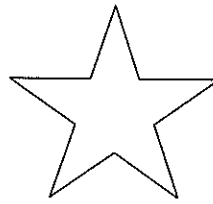

This team will be responsible for running the concession and fan-o-gram tables during each performance and will set up and oversee the reception after each performance.

#### 7. Documentary Team

This team will attend short segments of all musical activities. These activities will include cast rehearsals, production team meetings, fundraisers, and performances. Team members will use Flip cameras to collect video footage of each event and then compile a documentary movie to be shown on our school network and website.
